Key features: Water-based, alcohol-free formula • Kills 99.9% of harmful germs • Ideal for frequent use • Formulated to dry quickly without leaving the skin slippery or dry

Description

My-Shield® Sanitizing Soap is a water-based, foam hand soap that kills 99.9% of harmful germs. Its gentle and low-irritant formulation is great for frequent use, and it contains aloe vera to moisturize and soothe skin. The Zetrissil component helps prevent drying of the skin.

Indications

- Hand-hygiene and infection control
- Reduce bacteria on surface of the skin
- Helps prevent cross-contamination
- Recommended for repeated use

Unique Attributes

- Zetrissil provides extended prevention from the drying of the skin
- Contains aloe vera to moisturize and softens the skin even with repeat use
- Fast acting formula kills common germs
- Water-based and alcohol/chlorine/bleach-free so it's gentle on skin

Clinical Tips

- One pump was more than sufficient most of the time.
- The bottle size is convenient to put in each operatory.
- Does not dry out your hands with frequent use.

"AMOUNT OF FOAM
DISPENSED FOR EACH
PUMP IS JUST RIGHT."

Evaluators' Comments

"Did not dry out my hands."

"Ease of dispensing and immediate foaming made washing of the hands quick and easy."

"I liked that it rinsed off easily."

"My hands did feel smooth afterwards and not dry."

"The packaging of the soap and hand sanitizer is way too similar."

"I did not care for the smell."
